Ref.No.022/RBR/SCAORA.2024

To,
Secretary General
Supreme Court of India
New Delhi – 110 001

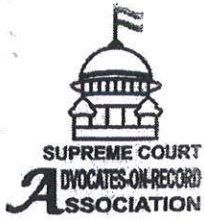

SUB: REQUEST FOR DEPLOYMENT OF GOLF CART/BATTERY RICKSHAWS BETWEEN VARIOUS BUILDINGS FORMING PART OF SUPREME COURT PREMISES AND ANNEXE.

Respected Sir,

We would like to express our sincere appreciation for the initiatives taken by the concerned authorities to meet the infrastructural requirements of the bar members and construct the Additional Building of the Supreme Court premises. These efforts are truly commendable and have significantly improved the working conditions for our members.

While we are all delighted with the additional space and new facilities, we urge the appropriate authorities to take immediate and necessary action to implement 'Golf Cart Services/Battery Operated Rickshaws' between the various buildings that form part of the Supreme Court premises. This is not just a convenience, but a necessity for our bar members.

The implementation of golf cart/battery rickshaw services is crucial to ensure the convenience of our esteemed bar members. This service will enable them to commute from the new buildings in a timely manner, especially during court hours. It's not always feasible to walk, particularly for those with advanced age, medical impediments, or during extreme weather conditions such as heat waves and monsoons. Additionally, this service will greatly assist members who park their vehicles in the ample parking space provided in the new buildings but then need to rush to the

courtrooms or carry voluminous files/documents.

There have also been instances where the members of the bar are in the new building for some registry work but have to rush back to the courts because of the manner in which a particular court is proceeding, and resultantly miss a matter or proceed with arguments while out of breath or a request for a pass over which might not always be accommodated considering various reasons.

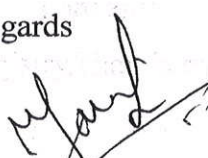

Therefore, a facility like the above will not only ensure that the new/additional buildings are utilized to their optimum but will also make it convenient for members to shuffle between the registry/chambers/cubicles and the courtrooms. This, in turn, could lead to a potential increase in productivity as members can utilize their time more efficiently, focusing on their cases rather than on transportation.

We hope that the above request will be considered favourably by the concerned authorities and that appropriate steps shall be taken at the earliest to begin such services.

We propose that the implementation of these services could begin upon the reopening of the Court after the ensuing Summer Vacation, allowing for necessary preparations and arrangements.

Thanking You

Regards

NIKHIL JAIN
Hony. Secretary
