SUB: REQUEST FOR TRAINING FOR OPERATION OF AED MACHINES

Respected Sir,

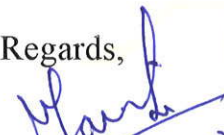

The implementation of Automated External Defibrillator (AED) Machines at multiple locations within the Supreme Court premises, including the Main Campus and Additional Building Complex, last year was indeed a commendable initiative. Members of the bar have widely appreciated it as a crucial measure to ensure prompt action in case of emergencies.

While some members were trained in operating the AED Machines during the installation, it is imperative to expand this knowledge base.

Therefore, we earnestly request another comprehensive training session involving stakeholders. This approach will equip a larger number of individuals within the premises with the necessary skills to operate the AED Machines, thereby minimizing response time during emergencies.

Anticipating a favorable consideration of our request by the concerned authorities, we urge for the prompt organization of these training sessions.

Regards,

NIKHIL JAIN
Hony. Secretary
