**Subject: Unavailability of video Conference Hall/setup at the Supreme Court.**

Dear Sir

I am writing to inform you that, at present there is no availability of the video conference hall at the Supreme Court premises for the members. This facility once provided shall enable various respected members of the bar and other advocates to take up their matter virtually in other courts. At present often, the respected stakeholders find themselves into and for situations due to the non-availability of video conference rooms.

As a result of the unavailability of this space, many members of the bar are finding it increasingly difficult to manage their hearings effectively in other courts while attending the matters in the Supreme Court as well. We understand the importance of providing a conducive environment for all legal proceedings and are actively seeking solutions to address this issue. The Hon'ble Chief Justice of India also promoted the idea of the smooth functioning of the court subject to the cooperation of all the esteemed members and stakeholders.

Considering this problem on an urgent basis please issue directions for setting up a dedicated video conference setup to facilitate all the bar members and other stakeholders to conduct their virtual hearings and matters with ease. The said objective shall help the legal fraternity to follow the pursuit of justice in the most efficient manner.

The video conferencing hall may be allotted in the Supreme Court premises preferably in the main building so it becomes easier for the lawyers to coordinate and attend all the Court proceedings without hindrances.

We all look forward to prompt action in this regard from your end.

Best regards,

  
**NIKHIL JAIN**  
Hony. Secretary
